Serial No

Letter no 14258/SP d 13 3 56 from C/S requesting orders of Govt re payment of octroi

It is reported that the Corporation of the city of Bangalore, has ~~levied~~ began to levy octroi duty on materials obtained by the Controller of Central Stores for use on Govt works It is stated that these articles had been exempted from payment of octroi under the old Municipal Act and that the Corporation Act 1949 does not contain provision for the same

(2) It is not known why the provision contained in the old City Municipal Act, that was in force in Bangalore allowing exemption from payment of octroi duty on Govt Goods has not been retained in the new Act viz the Corporation Act Further this duty was not being levied all these years on Govt Goods It has been imposed all on a sudden It is stated that the levy is as per the Resn passed by the Corporation on 28 11 55 The Resn (copy enclosed) referred to, refers to only Goods of the Dept which run on a commercial basis It is not clear how that Resn could be made applicable to the ~~Govt~~ other departments of Govt Though ~~[illegible]~~ the present Corporation Act is silent on the question of exempting Govt Goods from payment of octroi duty by practice, these Goods enjoyed exemption all these years This has to be ratified by Govt by suitably amending the Corporation Act, on the lines of the City Municipalities Act

For the last three days t eiss staff octroi superintendent at C & station de aired the lorrie and desired that octroi should be paid in cash before the materials could e allowed to pass out On my representation that I would communicate with you in this connection he was kind enough to allow the lorries to pass out I then addressed a letter to the Revenue Officer o t e Corporation requesting him to issue instructions to the Octroi Department to allow the government materials without insisting on cash payment of octroi duty I had sent my storekeeper also to contact him

He has sent word that the Corporation had passed a resolution to the effect that octroi should be collected on government materials also and that I should address you in this matter

If octroi has to be paid it will certainly be paid I have addressed the Chief Engineer also in this connection It will be highly obliging if ou can kindly see that instructions are issue to the Octroi Officers in the City and Civil station to allow government lorries ma in a note o the materials so allowed daily In fact I will send you a monthly statemen of the various materia received fr m both the City and Cantonment Railway stations to ena you to send re a bill for acceptance In the alternative any oth suggestion you make will also be accepted
